PROPERTY DESCRIPTION

Amazing Panoramic Views!

This secluded, single level, Spanish style home offers a functional layout a master bedroom with fireplace, reading area, and bath. At the other end of the home, the remodeled guest suite has an attached bathroom, and the additional 2 bedrooms and hall bath that have been upgraded. The center of the home is the entry, dining, living, study, kitchen, family room, and sitting area. The family room opens onto the pool area. The home was built in the early 80's and most of it needs to be updated. At a minimum, repairs are required due to water damage, age, and construction issues, both on the interior and exterior.

2.47 Acres with incredible panoramic views! 4 BR, 4 BA, 3 car garage, pool & spa! This home has it all! Beautiful tile entry lowered ceiling in the entry that sits under the vaulted ceilings surrounding the formal dining & sunken living room. A total of 4 fireplaces in the home-Master BR, living room, extra den in the kitchen & in the family room. This home has skylights & huge windows bringing in lots of natural light and looking out to the beautiful views and greenery. There is extra room that measures 11x14 that could be used as a gym, office or even a study! Huge laundry room with plenty of storage! Remodeled baths and bedrooms! A kitchen that offers an island with Dacor cook top, dual ovens and warmer, wood cabinets with matching kit on the Subzero refrigerator. The Family room had French doors that open out to covered patio and pool/spa that have the most amazing 360 pano views! This home is perfect for entertaining! The lot offers more than space to a garden, an orchard, all your pets, RV parking and MORE! This home is a MUST SEE!!!!
